Experience

Xplorie UX/UI Designer/Graphic Designer

January 2021 - Present

Junior Graphic Designer

August 2020 - January 2021

- Designed and developed modern, user-friendly interfaces for guest reservation and activity modules using Figma, Laravel, Livewire, Flux UI, and Filament.
- Redesigned internal reservation views to improve search functionality, performance, and clarity, enabling faster guest search for the support team.
- Streamlined guest-facing booking flows with simplified forms, upgraded date pickers, and dark mode support, reducing confusion and support tickets.
- Built a scalable, embeddable activity module that updates automatically with real-time data and can be easily integrated into partner websites.
- Collaborated with internal teams and partners through interviews and feedback cycles to refine designs and validate requirements.

Richner Communications Graphic Designer

May 2020 - July 2020

- Created a variety of ads, magazines, coupons, digital ads and menus for one of the largest local media companies in New York State.

Tilles Center Graphic Designer

August 2019 - June 2020

- Created print and digital advertising for upcoming events.
- Handled a variety of projects including banners, social media e-blasts, flyers, web banners, invitations, and event journal.
- Prepared images for the web and updated the Wordpress website with upcoming events.
- Created annual Gala Journal, menu and event assets.

Bethpage Federal Credit Union Design Intern

May 2019 - August 2019

- Created wireframes and developed web pages for a financial education online class.
- Worked directly with the art director and marketing team to create a variety of print materials for branches including postcards, brochures, and flyers.
